

How to Apply

There is not a specific application form to apply for a residency, but we ask that you send us the following on: *proposal (at) s12 (dot) no*

- Your CV,
- Photos of your work and/or links to websites where we can see your work.
- A short written proposal describing the project you would like to work on during your stay at S12. Please include why you think a stay at S12 would benefit your project, and list the equipment you are most likely to use during your stay. (See a list of available equipment and photos on our webpage)
- Information about the preferred time for your visit. Please include two different periods.
- Information about the estimated time needed for your project.
